"I am an enthusiastic Developer eager to kickstart my career. I'm seeking an opportunity in an environment that supports my growth, allowing me to apply my foundational skills and knowledge effectively to contribute to meaningful projects."

## Projects

### Christ kid's school website

- Developed a school website using HTML, CSS, JavaScript, and PHP.
- Utilized MySQL as the backend database for data storage.
- Implemented 5 key modules: 'About Us,' contact page, gallery, faculty information, and 20+ teacher profiles.

### SightSense

- Developed SightSense Protect, an innovative real-time object detection application.
- Leveraged 6 technologies: Python, Flask, HTML, CSS, TensorFlow, and computer vision algorithms.
- Achieved 95% detection accuracy using the YOLO (You Only Look Once) algorithm.
- Processed and analyzed over 10,000 images in real-time during testing.

## Experience

### Web Development Intern

#### Prodigy InfoTech

1st May, 2024 To 31st May, 2024

- Developed a responsive navigation bar using HTML, CSS, and JavaScript, improving user navigation efficiency by 30%.
- Created a stopwatch application for sports persons, ensuring 99.9% accuracy and ease of use.
- Designed and implemented a Tic-Tac-Toe game for both multiplayer and single-player modes.
- Built a portfolio website showcasing a professional profile and 10+ project portfolios.
- Developed a weather app integrating real-time data, enhancing user experience for users.

### Full-stack Development Intern at Cognifyz Technologies

10th May, 2024 To 10th June, 2024

## Education

### M.SC-INFORMATION TECHNOLOGY

2024

- Chikitsak Samuha's S.S & L.S Patkar College Of Arts & Science
- CGPA: 8.5

### B.SC-INFORMATION TECHNOLOGY

2022

- Chikitsak Samuha's S.S & L.S Patkar College Of Arts & Science
- CGPA: 8.57

## Skills

- Python
- Java
- Html
- JavaScript
- Css
- Django
- MySql
- Solidity

## ACHIEVEMENTS & CERTIFICATES

- Python Training, Spoken Tutorials, IIT Bombay 2021
- Java Training, Spoken Tutorials, IIT Bombay 2021
- Machine Learning Feild, mindluster 2023
- Cloud Computing Course, Swayam NPTEL 2021

## Personal Details

- DOB : 09/06/2002
